Description:

APPEARANCE: Dark amber to copper in color, with an attractive reddish depth of color. Large, dense, and long-lasting creamy off-white head.

AROMA: Complex, rich malty sweetness w/ hints of chocolate, caramel and toast. Spicy qualities are moderate. Moderate fruity ester, including raisins and plums.

FLAVOR: Complex, rich malty sweetness; malt with hints of chocolate, caramel and toast. Raisiny and dried fruit flavors; Balance is toward the malt.

A deep reddish, moderately strong, malty, complex Belgian ale.

Originated at monasteries in the Middle Ages, and was revived in the mid-1800s after the Napoleonic era.
