

HOP SCOTCH (2008)

Malt Varieties: Organic Pale, ,Organic Caramel blend, Organic Roast, Organic Chocolate, Black and Victory

Hop Varieties: Simcoe, Amarillo, Cascade

OG: 17°P

ABV: 7.35%

IBU: 40

Description:

Scotch ales are generally strong, sweet, and not-too-hoppy.

Our variation on this classic style is strong (7.35% ABV) but finishes drier and more bitter. The level of hop aroma is uncharacteristically high too.

HOP SCOTCH is just more of everything!

The dark amber color is somewhere between a Brown and a Porter.
