Malt Varieties: Organic Pale, Organic Munich, Organic Crystal, Dark Munich, Victory

Hop Varieties: Columbus, Chinook, Amarillo, Simcoe

OG: 18.8°P

ABV: 7.6%

IBU: 71

Description:

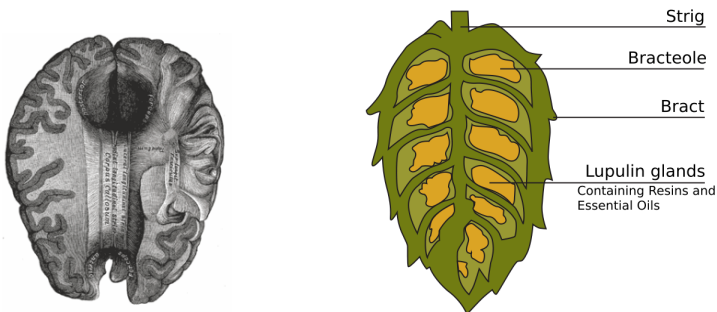

...an ale that connects the malty and hoppy hemispheres of the mammalian brain...

A Double (Imperial) IPA modeled after Brewer Dan's California IPA...and then some!

Some qualities that distinguish it from Demolition are: different malts lend a biscuit and nutty flavor

different kettle and dry hops adds a fresh and strong citrus aroma, which is what really defines the style

Corpus Callosum is that part of the human brain that connects its two hemispheres:

brain

+

hops

=

this is your brain on hops...
