Hop Varieties: Styrian Golding, US Goldings, Cascade

OG: 14.6°P

ABV: 5.25%

IBU: 32

Description:

This beer is essentially the Darkstar Porter with one major twist...

Our good friend David Richter smoked 50 pounds of organic pale malt over alderwood on his Big Green Egg smoker, 5 pounds at a time.

All of that love and smoke give this beer a delightfully smoky character that is sure to get you in the mood for fall...
